

Press Release

In a special meeting held Monday, March 8th, the Blue Thunder Boosters passed a motion to grant approval of items on the Belvidere North High School Coaches' wish lists. With community support and generous donations, we were able to give over \$15,000 back to our programs. The wish list is a list of items each coach felt would benefit their team and they presented these to the directors at the regular monthly meeting in February. Following is a list of items the Blue Thunder Boosters will purchase for 2010-11.
