

## Press Release

In a special meeting held Monday, March 31<sup>st</sup>, the Blue Thunder Boosters passed a motion to grant approval of all items on the Belvidere North High School Coaches' wish lists. This would not have been possible without the generous donations of all our booster members and all who have supported our fundraisers. The wish list is a list of items each coach felt they needed for their team and they presented these to the directors at the regular monthly meeting earlier in March. Following is a list of items the Blue Thunder Boosters will purchase. Note that many of these items will benefit more than one team.

Football – Gator (4-wheeler); Hi-pod Camera purchased already benefits many sports

Baseball – Chain Link Fence for JV field; start-up funds for dugouts already given

Softball – Outdoor Batting Cage will also benefit baseball

Wrestling – Mat Runners (to fill in gaps near wall)

Soccer – 40 warm ups with embroidery for both boys and girls programs

Cheer – 3 freshman uniforms, 4 freshman warm ups

Cross Country – Lifeline Fitness Circuit Trainer also benefits football, soccer & basketball

Track & Field – A springboard; Shot-put Analysis Software also benefits a batter's swing, a  
hitter in volleyball, and a golfer's swing

Swimming – Pace Clock and 4 Bungee Cords for resistance training

Basketball – Dr. Dish Shooting Machine for both boys and girls programs

It was also decided, starting next year, all sports teams will have to fill out an application for their wish list describing their items and how they benefit the team, and listing their individual fundraising and community service projects.
